**MARCH 2014**  
**VOLUME 52, ISSUE 10**

## **MARCH 2014 PROGRAMS**

### **MARCH 2 "THE BIG PICTURE"**

Rev Michael Nelson reflects, "The large view of things challenges us to understand life in its entirety. Knowledge expands into wisdom when we sense how loving kindness connects us to what is most desperate and exquisite. Unitarian Universalism encourages us to release the petty into the generous, where hope becomes more than a word." Contact Michael at 537-2349 or minister@uufm.net.

### **MARCH 9 "GROWTH IN FRIENDSHIP"**

Fellowship members Dick Cattell and Laura Lott discuss an interesting series of conversations they've had over the last year or two. Contact/convener is Michael Nelson at 537-2349 or minister@uufm.net.

### **MARCH 16 "THE ANGEL IN THE DETAILS"**

Rev Michael Nelson shares, "Often something small opens up in us and we become the first bloom of spring. When we cultivate our ability to focus on the bee wing dusted with pollen we can see how the universe works. Sun, earth, wind, rain, growing things, multiplying, an abundance which is easy to miss when we fail to look." Contact Michael at 537-2349 or minister@uufm.net.

### **MARCH 23 "WHY WE NEED SPRING"**

Join various Fellowship members and friends with a celebration of Spring in the form of music, poetry readings, literature, and more. Contact is Drew Vennum at drewvennum@gmail.com or (713) 828-3306.

### **MARCH 30 "EMPOWERING YOUTH TO MAKE A DIFFERENCE"**

Fellowship member Marisa Larson and a K-State student volunteer discuss their experience with the Children and Youth Empowerment Centre in Kenya. The Centre is focused on the comprehensive development of its target population of street youth, including life skills and entrepreneurship training, to enable these young people to lead fulfilling lives and contribute to the well-being of their communities. Contact is Drew Vennum at drewvennum@gmail.com or (713) 828-3306.

*Fellowship member Sarah McGreer Hoyt offers some personal reflections in support of AllsFairKansas.com, raising funds to support the fight for recognition of legal same-sex unions in the state of Kansas.*

I met Rev Michael Nelson in August 2000. We were both students in a graduate creative writing workshop at the University of Missouri-Kansas City, where he received his master's degree. I remember him as a calm presence who radiated energy during workshop, and I enjoyed being around him for those four months of the semester. After that, I did not see him again for almost a dozen years.

In June 2012, I came to the Unitarian Universalist Fellowship of Manhattan. I was looking for a community outside of my work, one that espouses respect for many walks of life and a diversity of beliefs. I was pleased to see many of my neighbors, professors from around campus, and graduate students among the congregation, yet it took me a few weeks to realize that Michael, this ebullient spirit and eloquent speaker, was my classmate from years ago.

I have been blessed to hear his sermons on everything from building community to water conservation to finding and celebrating joy, and he is one of the primary reasons I became a member of UUFM a year after I first attended.

On November 10, The Manhattan Mercury ran an engagement announcement for Michael Nelson and his partner, Charles Dedmon. It began, "After almost 30 years of careful consideration, Michael Nelson and Charles Dedmon, both of rural Alma, announce their engagement." *Thirty* years.

Three years ago, I signed up to be a mentor through K-State's Guide to Personal Success (GPS) Program. While filling out the paperwork, under "Other," I entered "LGBT friendly." I was paired with Will. At the time, Will, who is transgender, had just arrived on campus as a freshman after coming out to his immediate family. He had never presented as male in all of his 18 years.

Since then, he's changed his name, his appearance, has found academic success, worked as a teaching assistant, and found a close circle of friends. When we met for coffee before Christmas, he shyly told me that he's dating. In fact, he has a partner.

I support All's Fair Kansas for my LGBT friends, neighbors, and co-workers. For Michael. And for Will. Knowing them has enriched my life. What kind of person would I be if I did not wish them and their partners the same happiness, love, and equal rights?

It's only fair.

# RELIGIOUS EDUCATION

---

## RE NEWS

---

February was filled with love ... and snow! We're ready for March and spring!

In March our students continue their world religions curriculum with a focus a bit closer to home. We are planning many field trips to churches in the area and are hoping to have some extra adults to accompany (and possibly transport) the kids. If you'd like to make a trip to a local church, and then perhaps follow up with the class for a discussion about the visit, please contact me.

The Our Whole Lives (OWL) class for Kindergarten through 2nd grade finishes up just before spring break in mid-March. Huge thanks go out to Kathleen Tanona and Courtney Albin for leading this class. We're always looking for more OWL leaders and this month we have a rare opportunity to participate in OWL teacher training that is close to home. If you're interested in this valuable training, please contact me to get registered. Training for both elementary and teen classes is March 20 to 22.

*Sandy Nelson*

*Learn more about all family and youth activities at the Fellowship from Director of Religious Education Sandy Nelson at 341-0135 or DRE@uufm.net*

### DRE'S SCHEDULE

In March, Sandy Nelson will be available in the Fellowship office on **TUESDAYS** and **THURSDAYS**, from 3:30 to 4:30 pm.

### TEACHER TRAINING OPPORTUNITY

---

We're always in need of OWL teachers and a training opportunity is around the corner. Training for K-1st / 4th-6th and 7th-9th / 10th-12th is coming to Topeka, March 20 to 22. If you're interested in becoming a trained OWL leader, please contact Sandy Nelson at DRE@uufm.net or 341-0135 for more information.

### PARENT NIGHT OUT

---

Bring the kids for Parent Night Out on the first Friday of each month. On **MARCH 7** drop the kids off at 6:30 and pick them up at 9:30 pm. As always, there will be fun, games, healthy snacks, and a movie! A \$5 per child voluntary contribution will help us cover expenses associated with this popular activity.

*Please RSVP no later than Thursday, March 6, so that Sandy Nelson can schedule adults to staff the evening, and gather supplies. Contact Sandy at 341-0135 or dre@uufm.net.*

### MARCH FAMILY FUN ...

---

Join us in Aggieville for the 36th Annual St Patrick's Day Parade on Saturday, MARCH 15. The parade starts at 2 pm and we'll eventually gather near Radina's to watch the floats ... but first ... we'll do a REVERSE PARADE. At 1:30 we'll gather at the Fremont and 12th Street entrance to the park and we'll walk while the parade stands still. This is a great opportunity to visit with various float personnel and any candidates who might be in the parade. (Last year we got to climb up on a really cool John Deere tractor!)

**AWED POTLUCK**

Happy March! I think I see Spring somewhere ...

Our February Action WEDnesday Dinner was another success. We had some snow but the parking lot was clear, sidewalks shoveled and meetings went on as scheduled. I thank everyone for their effort. This month we will be meeting on Wednesday, March 5th. As always the potluck begins at 6 pm and meetings at 7 pm. Please let me or Susan Turner know if your committee needs a spot to meet.

Also, I wanted to update you on the Council of Committees. As Chair-elect of UUFM it is my responsibility to have a Council of Committees meeting at least twice a year. This is a chance for our committees to give updates on the work they are doing and wanting to do here at

UUFM. This year I asked the committee chairs to use the Vision Statement adopted by UUFM last Spring when working on goals for their respective committees for 2013-2014. They did a great job at the September meeting and we recently met again in January to review our progress. It was great to hear such positive feedback from the committees and to hear the exchanges of ideas. We plan on meeting again in May, the end of the fiscal year at UUFM. I like to think of AWED as a mini Council of Committee meeting; there is frequent talk or exchanges between committees.

Lastly, if you had been attending the Third Thursday Supper please consider joining us while Third Thursday is on a hiatus. It would be great to have more socializing going on. There has been some great energy at these potlucks and then subsequent meetings. It is also a great way to sit in on a meeting if you have an interest or idea you want to share. Please feel free to contact me if you have any questions.

In Faith, *Kathleen Tanona*

Learn more from Kathleen at 537-6208 or kmtanona@hotmail.coms. Contact Susan, to reserve space for a committee meeting, at 537-2349 or office@uufm.net.

## **\$HOP \$MART GROCERY PROGRAM**

---

Do you know about the Smart Shopper program, benefiting UUFM each time you shop? For every \$100 you spend at Dillons, Ray's, and Hy-Vee, the store gives UUFM \$5. What a deal! Totally painless! All you have to do is pay \$50 for a grocery card to whoever is carrying around the red notebook after Sunday services. Each card for Ray's Apple Market and Hy-Vee is \$50. Then go buy your groceries. Each card worth \$50 gives our Fellowship \$2.50. Therefore, \$100 earns \$5 for us. Dillons is different, you pay \$5 to UUFM for the card, then go to customer service at Dillons to load it with whatever amount you want to put on it. Learn more from Harriette Janke at 539-0865 or ahjanke@cox.net.

## **UUFM FINANCES**

## **ALL ABOUT US**

---

Please welcome our new member, **JESSICA STEIERS**. Jessica was born and attended school in Wamego. After she went to Kansas State and received her degree in biology, she went on Washburn University to get her degree in nursing. She now works at Mercy Regional Hospital in the patient rehab and surgical units. She first came to the Fellowship with her dad, **GENE STEIERS**. She was in middle school or high school. The community "...grew on us." She appreciates developing friendships here. She also enjoys the activities and the intellectual stimulation, and especially likes that our topics are current. She knew she wanted to become a member when, "It started to feel like an extended family." Jessica enjoys photography. (You may have seen some of her photographs on display in the narthex.) "I like to convey a different perspective of things in nature. To take something simple and make it abstract."

*We are so glad you've decided to join us, Jessica!*

## **OTHER NEWS -**

From **ANA FRANKLIN** - "I have a joy that I am leaving in a few days for Puerto Morelos, Mexico, and will be with yoga friends at a retreat there for two weeks. My concern is that all the preparations have made it less likely for me to get to UUFM lately, or to stay and chat with my dear friends here. I will miss you all, but I hope to return renewed by the retreat and ready to do what needs to be done! Namaste! *Ana.*"

**ELLIE HACKER**, granddaughter of **BARBARA HACKER**, recently won the Spelling Bee at Northview Elementary School. She went on to compete and come in 5th district wide. The word that finally tripped her up was *accordion*. Congratulations Ellie!

On February 13, several **UU Kids** joined several adults to make Valentines at Meadowlark Hills. It was a great hour of creativity, conversation, and cookies. After creating the beautiful cards, the children went with an adult to deliver the cards to Meadowlark residents. Thanks to Sandy Nelson for leading us in this activity.

*Please send your milestones, significant events, or news to Kathleen Oldfather at kjoldfather@gmail.com or 537-3738. We can't share it if we don't know!*
