

THE UUUFM VOICE

JUNE 2022
VOLUME 61, ISSUE 1

*OUR JUNE SOUL MATTERS THEME EXPLORES **CELEBRATING BLESSINGS...***

A Soul Matters facilitator once shared, "I guess after plan A fails, I need to remember there's still a whole alphabet out there."

Who of us doesn't need a little help remembering that? Especially after enduring Covid for so long. And the ongoing reckoning with racism. And the world's inability to deal with climate change. And political division. You get the point. It's easy to feel demoralized, daunted and defeated these days. With so many things going wrong, it's easy to overlook the many things going right.

For Unitarian Universalists, this tunnel vision is the central tragedy of the human condition, not just of our times. We respect those who frame the human problem as sin or twisted wills, but it's nearsightedness that our religion is most worried about. Which is also why blessings are so core to our faith. They are our way of widening our view.

You see, unlike some of our sibling religions, we don't *say* a lot of blessings. But we do *point* to them. For us, blessings are not so much about giving something to each other as they are about helping each other notice all that's *already been given*.

And it's not just about widening our view to see the gifts and blessings themselves; it's about widening our understanding of life. Pointing to blessings repairs our relationship with life, allowing us to see it as generous instead of indifferent or threatening. And that's no small thing. Because when the world seems stingy with us, we start getting stingy with others. In contrast, those who feel blessed have little trouble passing blessings on. Life spills into us and we spill into others.

And in that overflow, it does indeed get a whole lot easier to notice that there is, most certainly, a whole alphabet out there.

JUNE 2022 SUNDAY SERVICES

OUR SOUL MATTERS THEME IN JUNE EXPLORES
CELEBRATING BLESSINGS

JUNE 5 "CELEBRATING BLESSINGS"

What does it mean to celebrate? To bless and be blessed? Let's find out together as we joyfully acknowledge everything going right in our lives and express gratitude to our volunteers and congratulations to our graduates. Celebrate with Pastor Isabel and our convener, Rob DeLong.

JUNE 12 "THE HOLY WHOLENESS OF RESILIENCE"

Rev Kathy Riegelman is a Unitarian Universalist minister and a Board-Certified chaplain who serves at The University of Kansas Health System. Kathy strives to be a non-anxious, compassionate, and listening presence in the complex and sometimes confusing world of health care. Our convener is Rob DeLong.

JUNE 19 "HAPPY/HEALING FATHER'S DAY"

Join us this Father's Day as we celebrate the blessings of fatherhood in its many forms. Pastor Isabel Call also speaks to those who need healing on this day. Jessica Sievers convenes.

JUNE 26 "MEET THE MOMENT"

Come together at our regular 10:45 am gathering time for an inside look at the in-person UUA General Assembly in Portland, Oregon, with Pastor Isa on the big screen. At 11:30 am, we'll join thousands of other UUs for a live multiplatform Sunday Service that'll leave you singing and thinking and chatting for weeks. Dan Swenson is our convener.

HIGH-QUALITY MASKS, SUCH AS A KN95 OR N95, ARE REQUIRED
in the Fellowship building for everyone age 4 and older,
regardless of vaccination status.

*We continue to offer a virtual option,
for those who prefer to join us remotely,
at our usual Sunday morning service URL,*

A NOTE FROM PASTOR ISA -- REV DR ISABEL CALL

WE ARE THE ONES WE'VE BEEN WAITING FOR.

This phrase has become a part of my inner soundtrack, but I recently got curious about where it came from. What I learned: though it expanded within American consciousness in 2008 when spoken by then Senator Obama, he probably read it in a 2006 book so-titled by Alice Walker (<https://bookshop.org/books/we-are-the-ones-we-have-been-waiting-for-inner-light-in-a-time-of-darkness/>), who attributed it to the poet June Jordan in 1978 via the 1998 song by Sweet Honey in the Rock (<https://www.youtube.com/watch?v=UHsJHZpOJCc>). But it was italicized in Jordan's poem, as if she was quoting others. Perhaps it's best to understand the idea as essentially timeless. It links us to previous and future generations while also serving as a wake-up call to be present in *this* historical moment, as part of *this* generation. And of course it's no coincidence that it's been brought to us by Black women, people who understand interlocking oppressions and speak prophetically about our capacity to respond meaningfully. Now.

One of the prophets of our time, adrienne maree brown, will be addressing Unitarian Universalists directly at our General Assembly this month. If you're not familiar with her work, I strongly recommend her book *Emergent Strategy* (<https://bookshop.org/books/emergent-strategy-shaping-change-changing-worlds/>), which inspires us to mobilize for systemic change by letting go of control and showing up authentically for our relationships. One of brown's core principles can be summarized as follows:

There is always enough time for the right work.
There is a conversation in the room
that only *these* people
at *this* moment
can have.
Find it.

What great reassurance for us as we rebuild on the pandemic downslide. We are the ones we've been waiting for-- what are we called to become together in *this* moment?

Every time we gather in groups of two or more, we have an opportunity to grow the Fellowship. I am eager to welcome new people into our community, but there's no need to wait for them-- *we* are the ones we've been waiting for. Showing up to the Fellowship on Sundays or at Action Wednesday or other meetings gives us the opportunity to create the shared future we know is possible. brown writes: "I have to use my life to leverage a shift in the system by how I am, as much as with the things I *do* ... Each day should be lived on purpose. This has meant increasing my intentionality about

being with others. Adapting to the changes of life, yes, but with a clear and transparent intention to keep deepening with my loved ones and transforming together ... I am living a life ... that will resonate with my ancestors, and with as many generations forward as I can imagine."

brown's talk is available only to people who register for General Assembly (www.uua.org/ga/registration), as is Ibram X Kendi's at the Ware Lecture. If you're available to deepen your UU connection in this way, let me know. There are several others planning to participate virtually from the Fellowship building. We'll be publicizing ways to connect during GA, including a few events open to everybody.

Perhaps this summer is less about meetings and workshops for you, and more about rest and renewal. Let's do some of that together too. Being new to Instagram, I've been enjoying the Nap Ministry (www.instagram.com/p/CclvZdmO1sN/?igshid=YmMyMTA2M2Y=), a prophetic womanist initiative to remind us that self-care is essential to overturning white supremacy and other systems that define our worth based on our productivity. Although I am bringing a lot of energy and excitement to *do* things with you, I keep remembering that it's about being, not doing. I'd love to share GA with you, but what's more important is that you deepen your relationship with yourself, your truth, and your people. I am grateful to be among them.

In joy and solidarity,

Pastor Isa

Contact Pastor Isabel at pastor@uufm.net, or call or text 785 748-2533. Schedule Zoom, in-person or phone meetings at calendly.com/pastorisa. Pastor Isa will away from the office June 6-12 and June 20-July 7 for UUMA Ministry Days and the UUA General Assembly.

COME TO UUA GENERAL ASSEMBLY - JUNE 22 THRU 26

Everyone can join us live or on Zoom, on Sunday, JUNE 26, when Pastor Isa brings us to General Assembly live on the big screen, then we'll attend Sunday morning worship with 1000s of UUs from around the country. Register at www.uua.org/ga/, to attend GA live in Portland, or virtually, for lectures and workshops, and join members at the Fellowship for more virtual events. Learn more and tell Pastor Isa you're registered to attend at pastor@uufm.net.

OUTDOOR FUN FOR EVERYONE - EVERY SATURDAY, 1 TO 3 PM

Over the past two years we discovered that we like meeting outside. So, let's continue this new tradition this summer and gathering at the park. All are welcome! We gather each Saturday from 1 to 3 pm at CICO PARK! The playground is great, there's a big field for knocking a ball around or flying kites, and parking is easy. Bring a lawn chair or blanket and join the fun.

PARENT NIGHT OUT / KID NIGHT IN - JULY 8, 6:30 PM

Parents, are you interested in a night out? Kids, are you interested in a night in? The second Friday next month, Friday, JULY 8, from 6:30 to 9:30 pm, is the event you've been waiting for! Parent Night Out (Kid Night In) is for children from 3-12 years old who can toilet on their own with minimal assistance. We watch a movie, have some snacks, and games and art projects are available. A \$5 per child contribution helps us cover expenses. *Dinner is NOT served.* Please be sure your kids are fed before arriving. Remember: this is an RSVP event and space is limited. Please RSVP to Sandy, at dre@uufm.net, no later than Thursday, July 7.

SUMMER WORLD TRAVELERS

It's Summer and time for the UU World Travelers program. Our RE students travel around the world, learning new skills along the way, without ever leaving Kansas. Every week a new host from the Fellowship takes them on a "tour" of a far-away place, new skill, imaginary or real-life destination. We're hoping to have an overnight backyard camping trip, canoeing (an annual favorite), and more.

Do you have a passion you'd like to share? There are lots of open Sundays and we'd love to have you join us for a morning. Do you cook? Have you been on a cruise? Contact Sandy Nelson at 785 341-0135 or dre@uufm.net for details on the summer program.

BOARD REPORT – MAY 2022, JUDY NICKELSON, BOARD CHAIR

Members and Friends of UUFM,

Thank you for trusting me with the leadership of your congregation this past year. It has been quite a year! I will be stepping down at the end of this month, passing the torch to Amy Betz. Amy has proved to be a more than capable leader over the past several months and we are lucky to have her to lead us through another year of building and re-building our congregation "post-COVID." (Even though we know that there is no such thing as truly post-COVID.)

Past Chair Rob Morrison will be retiring from the Board at the end of May. COVID set us back, but there have been silver linings to that cloud--not the least of which is that we are now fully capable of streaming our service online simultaneously with our in-person service. Rob was instrumental in making that happen, along with a cohort of techies we are blessed to have among us. Rob will continue to serve UUFM as co-chair of the Sunday Services Committee. Thanks so much, Rob!

We celebrated the success of the OWL program this spring and the continuation of a lively RE program. Everyone is invited to RE in the park--every Saturday afternoon, from 3 to 5 pm, at CiCo Park. What an excellent way to catch up with our young parents and watch the kids play and learn.

Our delegates to the UUA General Assembly being held June 22-26 are Rob Morrison, Amy Betz, and Amelia Richter. Pastor Isabel will attend GA in Portland, OR while Rob, Amy, and Amelia attend virtually. There will be opportunities for you to virtually attend some of the GA events at the Fellowship along with Rob, Amy and Amelia.

Financially, Grow Green was a success with over \$31,000 being donated to our general account. We should get most or all of the \$10,000 match to our endowment fund.

If you have not yet sent in your pledge sheet, please get that back to Chris Bailey as soon as possible by mail, email or in-person on Sunday.

Have a great summer!

Judy

Learn more about the UUFM Executive Board from incoming Board Chair Amy Betz, at amy.betz@gmail.com. Members and friends are invited to observe Zoom Board meetings, on the second Tuesday of each month, at 7 pm. Ask Amy for the sign-in link.

UUA GENERAL ASSEMBLY MULTIPLATFORM / PORTLAND • 2022

The UUA general assembly is JUNE 22 thru 26. Several members of the congregation will be attending virtually. Additionally, the following lectures of the UUA General Assembly will be live-streamed at the Fellowship building and anyone can attend. The Keynote lecture will be at 3:45 pm, on Thursday, JUNE 23. The speaker is adrienne maree brown, author of *Pleasure Activism: The Politics of Feeling Good*. The Ware lecture will be at 6 pm, on Saturday, JUNE 25. The speaker for the Ware Lecture is Dr Ibram X Kendi, author of the best-seller, *How to Be an Antiracist*. Light refreshments will be provided and conversation after the lectures is encouraged. Please contact Amy Betz at amy.betz@gmail.com, for more information.
